About TXCPA Austin CPE Foundation Scholarships

In 2004, the TXCPA Austin CPE Foundation, a 501(c)(3) charitable organization, established a scholarship program whose purpose is to provide financial assistance to junior, senior and graduate students who plan to become Certified Public Accountants and enter the accounting profession. TXCPA Austin also offers the highly acclaimed Bette Williams Scholarship to one outstanding student who will someday exemplify the accounting profession. Bette Williams, CPA, is a longtime member of TXCPA and TXCPA Austin. She is the first woman to receive TXCPA's highest achievement – The Meritorious Service Award. Ms. Williams also served as TXCPA Austin President during the 1987-88 fiscal year and is still very active in TXCPA locally and state-wide.

The first scholarship disbursements were made in 2005 to four students in Austin area schools. The application deadline is in late November/early December of each year and the scholarships are awarded in time for the spring semester.
