

What: Taxpayer Advocate Service Problem Solving Day

When: February 9, 2021, 8:00 AM to 2:00 PM CT

Where: Zoom.gov

Partner: www.CPAsCount.org

The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

For an appointment to meet with the Local Taxpayer Advocate or a Case Advocate, please contact Staci R. McCoy at (737) 800-4079. To discuss your client's tax matter, you must have a valid Form 2848, Power of Attorney and Declaration of Representative, on file or ready to share with TAS.

Taxpayer Advocate Service is an *independent* organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's *services are free* to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
